REFERENDUM PASSED!!

FOR IMMEDIATE RELEASE

Mellen Community Approves School Facilities Referendum

Mellen, WI — April 7, 2026 — Voters in the **School District of Mellen** approved the district's $2 million school facilities referendum with **58%** voting in favor, demonstrating strong community support for maintaining safe, functional, and welcoming schools for current and future students.

The approved referendum authorizes the District to issue general obligation bonds to fund a comprehensive school facility improvement project focused on **capital maintenance, building infrastructure systems, safety enhancements, and site improvements** across district facilities and grounds.

These investments will address several critical needs, including:

- Replacement of the **1992 elementary school roof**
- **Large gym floor replacement**
- **Science lab renovations**
- **Student locker replacement**
- **Exterior door repairs and entryway improvements**
- **Back parking lot repavement and site work**
- **Freezer compressor replacement**
- Renovations to office bathrooms and learning spaces
- Updates to furnishings, fixtures, and equipment

"Our schools are truly the heart of our community," said Sheri Kopka, superintendent. "This referendum allows us to take a proactive approach to maintaining our facilities while continuing to provide safe, secure, and modern learning environments for our students."

The District extends sincere thanks to staff, students, and families, whose engagement, dedication, and support were essential throughout the referendum process, as well as the entire School District of Mellen community for its trust and commitment to local schools.

With voter approval secured, the School District of Mellen will begin planning and implementation consistent with the approved scope and will continue to communicate regularly with stakeholders as projects progress.
